"APOLLINARIS."

The New York Me ical Journal recently published an interesting item on mineral waters. It seems that the lay public is likely to confound table waters with medicinal waters, containing WARE. active chemical substances, which cannot safely be included as part of the ordinary daily diet. The article mays that greater COTS, WARDROBES, CHEST of DRAW-attention is being directed to dietetic waters more generally ERS, DRESSING TABLE and GLASS, and called table waters, which, if pure, are of great value as hygienic MARBL . TOP WASHSTAND. nuents, and it recommends waters like Apolliparis, which is regarded as the leading dietetic table water.

With which is incorporated THE CHINA DIRECTORY.

THIRTY-PIRST ANNUAL ISSUE. and will be found, as usual, to show an advance on preceding years both in fullness and accuracy of information.

The DIRECTORY covers the whole of the ports and cities of the Far East, from Penang to Vladivostock, in which Europeans reside. Not only is the Directory as full and complete in each case as it can be made, but each Colony, Port, or Settlement is prefaced by a DESCRIP. TION, carefully revised each year, some of which will serve as accurate Guides for the Tourist giving every detail in connection with the places their History, Topography, &c., &c.
The Information afforded in these Descriptions alone would suffice to fill an ordinary volume consisting of over Eighty highly interesting with automatic Steam Machinery of the latest

articles, packed with facts concisely set out, and and most approved kind, and we are well able to containing statistics of the TRADE of each Country and Port.

The work contains Directories and Descrip-

KONG AND SHANGHAI BANK. As mentioned by our l'ionisia correspondent, on the evening of the 24th February, H.E. the Vicercy Li Hung-obang was entertained at din or at Tientsin by the agent of the Hongkong Shanghai Hanking Corporation in the noerected premises on the Band. The following is a report of the speeches made on the occ. sion; -In proposing the haulth of the Vicerov the Agent of the Bank, Mr. A. W. Maitland, said-Your Excellency, it is with a sense of much gratification that I express to you my high appreciation of the bonour you have conferred upon as by your presence here tonight, affording as it does another example of the kindly interest you have always taken in the welfare of this Bank. It is the earnest wish of as assembled here, and in expressing that wish I am sure I am conveying the sentiments of all foreigners who have interests in China, that your Excellency may long continue to occupy four high position. Gentlemen I call upon you all to drink to the health of the Viesroy. The toast having bren enthusiastically relay is also to be accounted for, that is, even allowsponded to, the Viceroy's reply was read by Mr. ing three years for erection of the building : Loh Feng-loh. The terms of it were as foleight years' interest on \$60,000 at the rate of lows :- The theory of political economy which say. 5 per cent. per annum, which would amount treats of the circulation of wealth, or the banking system, the pivot on which the international commerce of the civilised nations turns, though least \$36,000, reckoning at only \$500 loss per Chinese historians Tze Ma-chien and Funku on the Balance of Trade and Commodities may be compared to those of Adam Smith on "The Wealth of Nations." In addition to my various official duties, as Superintendent of Trade in North China I take a great interest in

studying the state of commerce between our country and foreign nations, and, as the banks are a sort of self-registering burometer, of the trade, they cannot fail to attract my attention. the most sympathetic instrument of the kind is naturally that Bank which has its headquarters in China, as it is therefore in a position to decide questions without unnecessary I as of time. Ever since the Hongkong and Shanghal Bank established itself at this port it has justified my expectation that it would facilitate the finaucial business of my Government and promote trade, and the agents representing the Bank have uniformly inspired mo with conthe growth of the business done by the Tientsin lerporation. Mr. Maitland, on behalf of the Bank's directors and the Chief Manager, heartily thanked the Vicercy for the friendly terms in which he had alluded to the Corporation. Shortly before nine H.S., who seemed in excellent health and good spirits, took his leave—the

The eleventh annual meeting of the above Company was held on the 13th inst., when the report and accounts were adopted. . The following is an extract from the report :-The directors, in submitting the amout report, to

vious yours. This is in great part to be attributed to autonomy. He ridiouled the provision in the the large amount of lightering from Washing, in conat mones of the difficulty the large stances have had this year in getting over the Vocacus Bar.

The result of the year's sorking, after paying the asual expenses, etc., and a rather heavy ite a of Tla. 2,115.50, claims for damages caused by one of the cargo boots fealing the steamer Seechew, shows a balance of Tla. 36,503.49 at the credit of working account.

This amount, added to the Tis. 3,194.33 brought forward from 1891, makes the total of profit and loss account Tla 39,732.16, out of which has been paid an interim dividend to 50th June last of 5 pir cent., Tla. 8,000, leaving a balance at credit of that account of Tis. 31,732.14, from which must be delucted Tla. 5.089.40, being the first payment made on account of

5,089.40, being the first payment made on account of four Hopess Barges. The remaining au n'of Fle. 26.613.16, the directors propose to apprepriate as:

A divident of 7 per cont. making 11 per Tis. cent for the year 14,000.0 Amount to be carried to reserve account ... 10,000.03 Balance to be carried to new account 2,843.16 Tie. 26,643.16

THE SALE OF FIEMP DRUGS IN

BENGAL. LONDON, 3rd March. In the House of Commons last night, Mr. G.

W. Russell, Under Secretary of State for India. replying to a question put by Mr. Caine, saidthat Lord Kimberley proposes to request the Vicercy to appoint a Commission to enquire into and report upon the culture of hemp and the preparation of hemp-drugs in Bengal and the effect of their consumption on the social death any attempt to force upon them a bastard and moral condition of the people, and also as to the desirability of forbidding the sale of the drugs. On the part of the Government, Lord Kimberley, he added, would be glad if the result of the proposed step showed a possible further restriction of the sale of the drug. Mr. Russell said that the Commission would be composed partly of non-official natives and the enquiry would be as thorough as possible.

Mr. Russell, replying to a question of Mr. Paul, said that the Bengal Jary Commission was empowered to deal with the whole question, including the power to report that the notification of Sir Charles Elliott be rescinded, but he. Mr. Russell, was unable to state what action will be taken on the report.
